History

PCVC started its program in 2002 in the city of Surat by setting up educational activities to mainstream out-of-school children. Gradually, we approached the Labour Department and started rescuing children from hazardous working conditions.

At present, PCVC Gujarat works with working and vulnerable children in the cities of Surat, Rajkot, Ahmedabad, and Vadodara and in 2 rural districts of Gujarat. The programs include rescuing children from child labour, repatriating them, and providing them with education activities to mainstream them in school.

2018-19 Coverage: 1,24,053 children covered across Surat City and Kaprada & Kandla Blocks

Current Programs:

- Education Program
- Rescue Program
- Prevention Program
- Child Rights Desk Program
- School Follow Up Program
- Awareness activities
- Child Rights & RTE awareness sessions
